

Sunscreen

Cleburne I.S.D. wishes to encourage students to protect themselves from the sun. One way of doing this is to use sunscreen at the appropriate time. If a student is to use sunscreen at school, parents are asked to:

1. Provide the sunscreen product for school use. The sunscreen must be:
 - a. Clearly marked with the child's name.
 - b. Replenished by the parent as needed.
2. The sunscreen product will be stored in the child's book bag or other location designated by the teacher.
3. The child must be able to apply his or her own sunscreen.
4. It will be the child's responsibility to determine when to use sunscreen during the school day. Parents should instruct their child as to when to apply sunscreen.
5. For kindergarten parents: You are asked to apply sunscreen at home before a typical school day. If the school day is extended for your child (i.e.- all day field trip or Extended Day use) you are asked to:
 - a. Discuss with your child's teacher if your child is too young and unable to apply his/her own sunscreen.
 - b. If it is considered necessary for teachers/staff to assist with the application of sunscreen, the sunscreen will only be applied to face, neck, arms, hands and lower legs, areas of exposed skin to minimize or prevent sunburn.

You are asked to sign this form to show that you have received the letter about the school's approach to sun safety.

If you wish that your child use sunscreen at school, please indicate this below.

Sunscreen Consent Form for the _____ School Year

Student name _____

Homeroom _____

1. I have read and support the school's Sun Safety Policy.

2. I will provide my child with a sunscreen product to be used at school and on school outings in accordance with the school's policy.

3. For Kindergarteners: I give permission for approved teachers/staff to apply sunscreen when it is considered necessary. I will provide for them clear, written instructions for application.
